## Petersburg News

Times-Dispatch Bureau,  
109 North Sycamore Street,  
Petersburg, Va., September 19.  
The Democratic City Committee at its meeting last night elected Dr. Joseph M. Burke as city chairman, to succeed Mr. John B. Evans, resigned. A committee consisting of Chairman Burke, W. T. Mulcahy and W. S. McCance was

appointed to provide speakers for the campaign, and this committee will act in conjunction with Congressman Francis R. Lassiter in the discharge of this duty. Major Lassiter has been traveling in Europe for some weeks, but is expected home the last of this month. Efforts will be made to get

Senator Daniel, Governor Swanson and other prominent men to speak in Petersburg during the campaign. Petersburg is safely Democratic, but the desire is to arouse enthusiasm and bring out as large a vote as possible for Mr. Bryan. The contest in the Southside section of the State will be practically one-sided, the qualified Republican vote being so much smaller than the Democratic.

It is expected that the next session of the Virginia Annual Conference, to be held in Norfolk in November, will be one of unusual interest. The matter of the relation of the Randolph-Macon system of schools to the conference, together with that of the Blackstone College, about which there has recently been so much correspondence, will, it is believed, elicit discussion of great ability and interest, in which clergymen and laymen will take part.

Mr. Charles Watson, who has been spending the summer at Asheville, N. C., for the benefit of his health, has returned to the city much improved.

A large bathhouse is being built in the harbor immediately in the rear of the division dam for the protection of the launches and other small craft being used by the contractors on the river work. The location will render the house safe from injury by flood and storm.

**Work of Chamber of Commerce.**

Secretary Edwin L. Quarles, of the Chamber of Commerce, has been selected by the executive committee of the Southern Commercial Secretaries' Association to represent that organization at the convention of Commercial Association Executives, which meets in Atlantic City on October 1st, 2d and 3d.

At a convention of secretaries of the Southern States in Chattanooga last month, Mr. Quarles was elected secretary of the permanent organization effected at that time, so that in addition to his appointment to represent the Southern Association at Atlantic City, he goes as its secretary.

Mr. Quarles stated to-day that he expected to attend the convention, and hopes to carry to the men engaged in his line of work in the North the good news of conditions and prospects in the South, in Virginia, and in Petersburg.

**Persons and Briefs.**

The Methodist Sunday School Association will hold its monthly meeting in the City Church to-morrow afternoon, and Hon. William R. McIlwaine will deliver the address.

Contractor Seay, of Lynchburg, who is to build the large addition to the Federal building in Petersburg, was in the city to-day looking over the

## Cure Your Kidneys

Do Not Endanger Life When a Richmond Citizen Shows You The Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or other serious cases set in. Read this Richmond testimony:

Alex. W. Archer, living at 6 West Franklin Street, Richmond, Va., says: "Some months ago I suffered severely from a attack of kidney trouble, and at times the pains were quite severe. I at length procured a box of Doan's Kidney Pills at the Owens & Minor Drug Store, and after taking them I am glad to say that I have not had a return of the trouble since." Price, 50 cents. premises. He expects to begin the work as soon as authorized.

Mr. Henry Battelle, a well-known young druggist of this city, will be

married on Wednesday next to Miss Mabel H. Waggoner, of Richmond. George Gelst, a white prisoner, escaped from the jail of Chesterfield county last night.

Later information from the peanut belt of Virginia and North Carolina is to the effect that the crop was not so much injured by the rains as had been supposed. The planters have commenced digging the nuts, and the crop, it is estimated, will be up to the average. Last year's crop has been nearly all sold, and but little remains in the hands of farmers and merchants.

The old jail building is being rapidly razed. With the exception of the top story, the walls will be used for the new building, and the story added. The dungeons on the bottom floor will be done away with and modern cells substituted. The jail yard will also be dispensed with as a place for exercise, and a corridor inside will be used for that purpose.

John Lewis, colored, fell from a load of hay while driving along Bollingbrook Street this afternoon, and broke his left leg just below the hip. He was taken to the hospital and treated.

Mr. William Creighton, formerly of Petersburg, Va., head of the blue print department of the American Locomotive Works, lies at his home, No. 1026 Randolph Street, in Richmond, in a critical condition. He has just recovered from a protracted illness of fever, and in some manner caught cold, and now his life is despaired of. He is a member of Petersburg Lodge, Royal Arcanum.

## .....Ashland News.....

[Special to The Times-Dispatch.]

ASHLAND, VA., September 19.—Deer are plentiful in and around the county southwest from Ashland near the Chickahominy River. Last Thursday Bernard Boschen killed a large buck weighing almost 120 pounds, and on Saturday his sister, Mrs. Byron Kelly, killed another one.

A chub was caught in the river by Frank Boschen that weighed 6 1/4 pounds. The mouth of the fish measured 4 1/2 inches.

At a meeting of the directors of the Business Men's Association last night a proposition from a very large Northern canning company was reported by the secretary. The company desires to

locate a plant at Ashland for the purpose of canning tomatoes, pumpkins, beans and corn. The first year they would want to be assured that the farmers would plant 100 acres in tomatoes, 100 acres in beans and the same in pumpkins. The canning of corn and berries would not be taken up until the second year.

The plant would cost about \$25,000. In conjunction with this another concern is also likely to build a plant near here. It will be a wood-working factory to utilize the growth of small timber. This firm would get out lumber for crates, such as are used for shipping by canners.

John D. Harris, general manager of the Ashland Sewer and Water Company, has had a conference with some business men and capitalists in Philadelphia in regard to the enterprise, and they decided to send a representative here to look over the ground and see what

can be done toward getting these industries located.

The land and property books for Ashland District and the town of Ashland have just been completed for the tax year of 1908 and turned over to the state and county authorities.

The district shows real estate value to be \$741,194 and the town of Ashland \$311,527, a total of \$1,052,721.

Personal property, district, \$553,215; personal property, town of Ashland, \$119,208; total, \$672,423, and a grand total of \$1,725,144.

The increase over the assessment of last year for the town of Ashland is \$62,151.

The Henry Clay Inn Ice Plant and Laundry was sold to-day by F. H. Cox, real estate agents, under a foreclosure for S. J. Doswell and J. J. Leake, trustees, to Mrs. Emma Lee Vaughan for \$19,000.

**BRYAN-KERN-MAYNAUD.**

Club Is Organized at Suffolk, With 150 Members.

[Special to The Times-Dispatch.] SUFFOLK, VA., September 19.—A Bryan-Kern-Maynaud Club was organized here last night in the Council chamber of the City Hall. There are about 150 members, and it is expected the number will increase to 200 by the next meeting night.

The following officers and committees were chosen: Colonel J. E. West, president; Colonel J. H. Macleary, S. J. Parker, A. B. Covington, W. J. Kennerly, L. E. Frier, Walton Hostler, A. W. McKenney and J. E. B. Holladay, vice-presidents; C. L. Lewis, secretary; R. L. Brewer, Jr., treasurer.

Finance Committee—Colonel E. E. Holland, J. U. Burgess, John C. Holladay, W. A. King, G. Lloyd Bell.

Membership—G. A. Harris, A. Stallings, F. W. Lloyd, Clyde Rogers, R. H. Wiedeb.

Entertainment—R. W. Withers, J. E. B. Holladay, Lee Britt, W. J. Kendrick, P. L. Prudden.

Quarters—H. E. Smith, E. R. Britt, H. R. Culey, W. B. Hawkins, Dr. John E. Phillips.

John W. Daniel Rally Day—H. E. Smith, W. W. Eley, R. S. Boykin, W. L. McLeod, E. W. Lloyd.

The club will meet each Friday night until November.

In case Senator Daniel accepts the invitation to come here and address the club, a big oyster roast and dance, to which all the countryside is invited, will be arranged.

**NEGRO'S THROAT IS CUT.**

General Row at Henderson, N. C., Ends in Stabbing.

[Special to The Times-Dispatch.] NORFOLK, VA., September 19.—Miss Catherine Ross Hutcherson, of Norfolk, and Mr. Carter Winston Sampson, of Norfolk, were married to-day at the manse of the Second Presbyterian Church, the pastor, Rev. Dr. J. E. Thacker, officiating. The couple left at once on a bridal trip.

**Beauty and Bad Breath**

Cannot Go Together, No Matter How a Woman May Try to Make Them.

It does not matter how beautiful a woman may be, if she is afflicted with bad breath she will be shunned and pitied by men and even women will actually avoid her.

If any woman doubts this statement, let her make a point of asking a friend in whom she has any confidence, a man friend or relative. If he is honest he will tell her that foul breath from the mouth of a woman will drive men from her society more readily than any other personal affliction.

Poor breath arises in many disguises, and where this quality is brought into play no amount of self-denial or real purity can overcome the natural repugnance which comes to man when he is in company with such a woman.

What is true of bad breath in woman is not true in so great a degree in men. Women are looked upon as the incarnation of sweetness, breeding, virtue, when they are afflicted with foul breath, a man so that he cannot feel for such a woman a companion, ship necessary to make him desire to be her country.

There is absolutely no occasion for bad breath in either men or women. Charcoal, the strongest absorbent known, when taken into the stomach, will prevent this repugnant tendency or affliction.

Stuart's Charcoal Lozenges are sold in tremendous quantities all over America and Canada. They cure and have cured all forms of bad breath. A single box will convince even the most skeptical. One out of some of these lozenges after each meal and upon retiring. You might eat fifty of them without harm. They are not medicine, but pure honey to make them palatable, and compressed into a lozenge to preserve their peculiar and lasting strength.

One who does not wish to go into company and don't want your foul breath to humiliate you, eat several of Stuart's Charcoal Lozenges, and your breath will be pure and sweet.

Every druggist carries them; price, 25 cents; or send us your name and address, and we will send you a trial package by mail free. Address: F. A. Stuart Co., 200 Stuart Bldg., Marshall, Mich.

## GOVERNOR GLENN NAMES DELEGATES

Appoints Men Who Will Attend Richmond and Toronto Meetings.

[Special to The Times-Dispatch.] RALEIGH, N. C., September 19.—North Carolina will be represented in Richmond November 14th to 19th for the American Prison Association, to be in session there on those dates, by S. Mann, superintendent of the North Carolina penitentiary; T. M. Arrington, bookkeeper for the penitentiary; Joseph G. Brown, president of the Citizens' National Bank, Raleigh; C. J. Hunter, of the North Carolina Board of Charities, and Rev. R. E. Stephenson, president of the Raleigh Associated Charities. The commissions for these gentlemen were issued to-day by Governor R. B. Glenn.

Hon. E. F. Dixon, State Auditor, and Hon. S. B. Rogers, member of the North Carolina Corporation Commission, have been commissioned by Governor Glenn as the representatives of the North Carolina government at the International Conference on State and Local Taxation, to be held at Toronto, Canada, October 5th to 10th.

The purpose of the conference is to bring about reforms in taxation, so that there will be more equal and equitable adjustment of taxes. These delegates will be expected to make a report to the State Board of Equalization, created by the last Legislature for the equalization of taxation among the counties in this State. This commission, it will be remembered, met some weeks ago, organized and decided that nothing could be done until more definite machinery for its work is provided by the Legislature. To this end there will be important recommendations to the General Assembly that meets next January.

Merchants and other business men of all parts of the State are contributing liberally to the big Masonic fair fund. The fair is to be held here for one week, beginning October 5th, the proceeds to benefit the fund of the Grand Lodge Temple building for the colored people, and the building debt incurred in the completion of the temple. The affair will be in the Grand Lodge hall of the Temple, and promises to be a big success from both social and financial viewpoint.

Illustrating the splendid possibilities there are in North Carolina for the production of a report just made by the management of the Agricultural and Mechanical College dairy here for the past nine months. It shows that this dairy, with forty-one Jersey cows, with thirty-six of them in average order, and gross receipts of \$6,414 for the nine months, and a net profit of \$3,409.

**Proclamation.**

In a proclamation issued to-day by Governor Glenn, he urges the fullest possible representation of the South at the coming session of the National Conference on State and Local Taxation, to be held in Greensboro October 13th, and calls on the commissioners of the various counties and the mayors of the towns and cities to appoint some of their wisest and best men as delegates to this convention, as, in his judgment, the congress will tend to advance greatly the material interests of the State.

**No Court Until Spring.**

The business of Judge Thomas R. Purcell, of the United States Circuit and District Court, Eastern District of North Carolina, has made necessary an order to-day for the adjournment of the fall term of the district courts for this district to the spring term.

The judge is able to sit up, and may find it possible soon to be in his office, but all business of the courts mentioned is continued to the spring terms.

## FREDERICKSBURG COLLEGE OPENED

Large Crowd Attends Exercises Incident to Beginning of New Session.

[Special to The Times-Dispatch.] FREDERICKSBURG, VA., September 19.—The formal public exercises in connection with the opening of Fredericksburg College for the new session were held at the college buildings last night. A large audience was present. Judge John T. Goelrick delivered the address of the evening, and a musical program was rendered. The number of students registered is in excess of the number on the same date last year.

The one-hundredth anniversary of the organization of the Presbyterian Church of this city will be held October 27th and 28th. A historical sketch of the church will be presented, and appropriate addresses by former pastors will be made on the first night. On the second night an address will be delivered by Rev. Dr. R. E. Kerr, of Baltimore, followed by a reception in honor of invited guests.

**First Copy of Paper.**

Judge A. T. Embrey, of this city, has in his possession a copy of the New Era, the first newspaper published in Fredericksburg after the Civil War. It is also the first copy issued by the paper. It is dated May 23, 1865, and the editor was the late A. A. Little. One of the items in the paper was the request for the publication of the paper signed by seventy-five citizens, all of whom are now dead, but many of their descendants still live here.
